## Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9 a.m. Wednesday, September 11, in Room 106, Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the revocation of one existing regulation of the Division of Water Resources, the amendment of five existing rules and regulations, and the adoption of two new regulations pursuant to the Water Transfer Act, K.S.A. 82a-1501 et seq.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Chief Engineer, Division of Water Resources, Kansas Department of Agriculture, 901 S. Kansas Ave., 2nd Floor, Topeka, 66612-1283. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

The Water Transfer Act was amended effective July 1, 1993. The primary purpose of the amendments and new regulations, which are being proposed by the chief engineer, are to amend existing regulations to be compatible with the change in the law and to implement the appli-

cation process for a water transfer.

These new and amended regulations are proposed for adoption on a permanent basis. A summary of proposed regulations and their economic impact follows:

5-50-1. Definitions. Amends the definition of "application" and "approval of application" to be compatible

with the new Act.

5-50-2. Requirements for application. Because the amendments to the Water Transfer Act changed the criteria which must be considered in processing a water transfer application, the information required on the application has been updated to provide the information necessary to process an application filed pursuant to the current Water Transfer Act.

5-50-3. Hearing. Because the Water Transfer Act proceedings are to be held pursuant to the provisions of the Kansas Administrative Procedures Act (KAPA), the hearing procedures in this regulation are no longer necessary;

therefore, the regulation is being revoked.

5-50-4. Emergency use. This regulation was amended to improve grammar and form.

5-50-5. Extension of emergency transfer. This regula-

tion was amended to improve clarity.

5-50-6. Authority of the chief engineer. Because the provisions of KAPA apply to Water Transfer Act proceedings, subsections (a) and (b) were no longer necessary. Subsection (c) was amended to improve clarity.

5-50-7. Filing an application. This new regulation clarifies that a water transfer application is not complete until the applicant has received contingent approval to divert water either under the Kansas Water Appropriation Act or a contract to purchase water pursuant to the State Water Plan Storage Act.

5-50-8. Selection of hearing officer. This new regulation sets forth a procedure for obtaining nominations for

the independent hearing officer pursuant to the Water Transfer Act.

None of these amended or new regulations is expected to result in a significant fiscal impact to governmental entities or to water users.

Copies of the complete regulations and their economic impact statements may be obtained from the Division of

Water Resources, (913) 296-4623.

## Department of Administration Division of Facilities Management

## Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9:30 a.m. Tuesday, September 10, in Room 108, Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of proposed rules and regulations of the Department of Administration, Division of Facilities Management.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Secretary of Administration, Room 263-E, State Capitol, 300 S.W. 10th Ave., Topeka, 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Faith Loretto at (913) 296-6000 or (913) 296-4798 (TTY). Accessible parking for people with disabilities is located at the south end of Landon State Office Building, and the north entrance to

the building is accessible.

Summaries of the proposed regulations and their eco-

nomic impact follow:

K.A.R. 1-45-4, K.A.R. 1-45-7 and K.A.R. 1-45-8 relate to parking permits and fees for certain state parking lots. These regulations are proposed for amendment on a permanent basis in order to provide for payment of parking permit fees on a biweekly rather than a monthly basis, as

well as to update and clarify the regulations.

K.A.R. 1-45-4, issuance of permits, is amended to restate the application and issuance process more clearly and eliminate a reference to monthly parking fees. No changes in the application procedure will result from this amendment. Amendments to K.A.R. 1-45-7, fees and charges, change the parking fees from a monthly to a biweekly basis and prorate the amount of the fees accordingly. K.A.R. 1-45-8, fee permits, is amended to update the list of state properties associated with parking permits and clarify that permits can be issued for cars owned or leased by the employee.

No economic impact on the Department of Administration, other state agencies, state employees or the general public is anticipated as a result of these amendments. The application procedure and qualifications for parking permits will not be altered. Biweekly parking fees are consistent with the state's biweekly payroll periods; therefore, this change avoids administrative problems and inefficiencies that result from monthly parking fees.

The parking fees are pro-rated accordingly; therefore, there is no significant increase in parking rates associated with these amendments.

K.A.R. 1-17-10, state-owned or leased motor vehicles; travel records, is amended to provide authority for state agencies to request an exemption from the recordkeeping requirements of this regulation. Such an exemption may be approved by the Secretary of Administration upon a finding by the secretary that the exemption is necessary or desirable to meet the reasonable operational needs of

the agency.

There is no economic impact on the Department of Administration anticipated as a resulf of these amendments. By requiring approval of the Secretary of Administration, the department will be able to ensure that any state agency operating under an exemption would continue to record sufficient information for billing and vehicle maintenance purposes. The availability of a recordkeeping exemption to meet agency operational needs may create some operational efficiencies for affected state agencies and their employees. However, it is not possible to quantify any economic impact resulting from such efficiencies.

Copies of the proposed regulations and the associated economic impact statements may be obtained from the Division of Facilities Management, Room 653-S, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612, (913) 296-4142.

The Brooks Landfill is owned by the City of Wichita and operated by Herzog Waste Management, Inc. The requested vertical expansion would allow the landfill to operate after October 9, 1996, without the construction of a lined cell and allow an increase in height of the currently operating cell (Cell D) from the original maximum permitted elevation of 1,400 feet above mean sea level to 1,495 feet above mean sea level. KDHE is providing public notice of its intent to modify the existing municipal solid waste landfill permit for the Brooks Landfill to allow the vertical expansion of Cell D for an initial 18-month period.

The draft permit contains provisions which allow KDHE to extend the initial 18-month period to a maximum period of five years if corrective measures proposed to remediate groundwater contamination at the landfill are implemented and it can be demonstrated that the corrective measures will be effective.

A copy of the administrative record, which includes the draft amended permit, and all information regarding this permit action is available for public review through August 14 during normal business hours, 8 a.m. to 5 p.m. Monday through Friday, at the following locations:

## Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9 a.m. Friday, September 27, in the conference room at the Kansas Racing and Gaming Commission office, 3400 Van Buren, Topeka, to consider the adoption of proposed regulations of the Kansas Racing and Gaming Commission. The 60-day notice constitutes a public comment period for the purpose of receiving written public comments on the proposed regulations.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting the secretary at the Kansas Racing and Gaming Commission, 3400 Van Buren, Topeka, 66611-2228, (913) 296-5800.

A copy of the full text of the regulations and the economic impact statement may be reviewed or obtained at the commission office. The following is a summary of the

proposed amendments:

K.A.R. 112-18-21. Election and recognition of recognized greyhound owners' group. The 1996 legislative changes required the drafting of a new regulation regarding the election procedures to be used for recognized greyhound owners' groups. This regulation sets out the duties of those who will serve as members of each recognized group. The procedure to be used by the agency for electing each group also is described in detail together with the eligibility requirements for those participating in the election. The regulation states that the agency will hold the election pursuant to K.S.A. 74-8802(dd). Provisions are made for the filing of a complaint concerning the conduct of an election, in which case the agency shall commence a hearing in accordance with the Kansas administrative procedures act, K.S.A. 77-501 et seq.

Economic impact: The agency will bear the expenses incurred during the election process. Beginning December 1995 through January 1996, the agency held its first election and mailed notice of election and official ballot forms to all eligible voters, and mailed nominating petition forms to those requesting the same, at an approximate cost of \$480. The costs incurred by the agency for administrative services and staff support were less than \$500.

K.A.R. 112-18-22. Election and recognition of recognized horsemen's group. The 1994 legislative changes required the drafting of a new regulation regarding the election procedures to be used for recognized horsemen's groups. This regulation sets out the duties of those who will serve as members of each recognized group. The procedure to be used by the agency for electing each group also is described in detail together with the eligibility requirements for those participating in the election. The regulation states that the agency will hold the election pursuant to K.S.A. 74-8802(dd). Provisions are made for the filing of a complaint concerning the conduct of an (continued)

election, in which case the agency shall commence a hearing in accordance with the Kansas administrative procedures act, K.S.A. 77-501 et seg.

Economic impact: The agency will bear the expenses incurred during the election process. The costs to the agency for postage, administrative services and staff support are expected to be less than \$1,000.

#### Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9:30 a.m. Tuesday, September 10, in Room 108, Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of a proposed rule and regulation of the Department of Administration, Division of Accounts and Reports.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written com-ments prior to the hearing to the Secretary of Administration, Room 263-E, State Capitol, 300 S.W. 10th Ave., Topeka, 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Faith Loretto at (913) 296-6000 or (913) 296-4798 (TTY). Accessible parking

for individuals with disabilities is located at the south end of Landon State Office Building, and the north entrance to the building is accessible.

A summary of the proposed regulation and its eco-

nomic impact follows:

K.A.R. 1-18-1a. Mileage rates. This regulation is proposed for amendment in order to increase the rate at which state employees and state officials are reimbursed for use of their private vehicles. Each of the current rates would be increased by one cent. However, K.A.R. 1-18la currently provides that, if an employee chooses to drive a private vehicle when a state-owned or leased wehicle is available, the employee will be paid at the state central motor pool rate for compact cars, rather than the rate stipulated in the regulation. Therefore, the proposed rate would apply only in those situations where a state vehicle is unavailable, use of a state vehicle would be more expensive than use of the privately-owned vehicle, or the employee has a disability which requires a specially equipped private vehicle.

Those state employees and officials who are eligible to receive the mileage rate set out in the regulation would realize an increase in their reimbursement rate of 3.4 percent. State agencies may experience an increase in travel costs, to the extent that state vehicles are not available are more expensive, or cannot be driven by a disabled employee. However, it is not possible to estimate the economic impact on state agencies, as no summary data is available to indicate how often agencies are reimbursing employees at the state motor pool rate for compact cars. If it is assumed that all FY 96 expenditures for mileage reimbursement for privately-owned vehicles had been paid at the current rates, the one cent increase is estimated to raise agency costs by \$237,072 in FY 97 (\$79,823 state general fund). The proposed increase in private vehicle rates would also have an indeterminable economic impact on any local units of government in Kansas that elect to use the state mileage reimbursement rates.

Copies of the proposed regulation and the associated economic impact statement may be obtained from the Division of Accounts and Reports, Room 355-S. Landon State Office Building, 900 S.W. Jackson, Topeka, 66612, (913) 296-2311.

## RULES FOR INSTANT GAME NO. 62 "WILD BINGO"

111-4-868. Name of Game. The Kansas lottery shall conduct an instant winner lottery game entitled "Wild Bingo" commencing on or after July 15, 1996. The specific rules for the "Wild Bingo" game are contained in K.A.R. 111-3-1 et seq. and 111-4-868 through 111-4-872. (Authorized by and implementing K.S.A. 1995 Supp. 74-8710; effective, T-111-6-27-96, June 21, 1996.)

**111-4-869.** Definitions. The following definitions shall apply to the "Wild Bingo" instant lottery game:

(a) "Game symbols" are the numbers, letters, symbols, or pictures printed in the play area of each instant game ticket and which determine if the ticket bearer is entitled to a prize. In this instant game, the game symbols for the "PLAYER'S CARDS" are printed in black ink in 10 point WGI font, and for the "CALLER'S CARD" and "BONUS NUMBERS" in black ink in WGI 15 font. A game symbol appears on "PLAYER'S CARDS" in each of 30 play spots within the play area, including the word "BINGO" at the top of each of the four cards, and in 24 play spots on the "CALLER'S CARD" and in four play spots in the "BONUS NUMBERS" area. Each game symbol for this instant game is one of the following:

(b) "Ticket validation number" means a unique number appearing on each ticket which is used to validate winning tickets. For this instant game, the ticket validation number is an 11-digit number which appears below the game symbols under the removable covering in the play area on the front of each instant ticket.

(c) "Book-ticket number" means the unique number appearing on each ticket which includes the number of the book from which it was removed and the serially assigned number of the ticket within that book. For this instant game, the book-ticket number is an 8-digit number followed by a dash and then a 3-digit ticket number. The ticket numbers in each book start with 000 and end with 149. The book-ticket number is printed in black ink

on the back of each instant game ticket both above the information form and below the bar code.

- (d) "Retailer validation code" means the small letters found under removable covering in the play area of each instant game ticket. The retailer uses this code to verify and validate winners which are to be paid by the retailer. In this instant game, the retailer validation code is a three letter code printed and appearing in three of six locations at either end of the game symbols on the "CALLER'S CARD." The codes and their meanings are as follows: TWO = \$2.00; FOR = \$4.00; FIV = \$5.00; SEV = \$7.00; TEN = \$10.00; TWY = \$20.00; TWF = \$25.00; FIY = \$50.00; HUN = \$100.00; THN = \$200.00; THY = \$250.00; FHN = \$500.00.
- (e) "Bar code" means the 16-digit bar coded number appearing on the back of each ticket. (Authorized by and implementing K.S.A. 1995 Supp. 74-8710; effective, T-111-6-27-96, June 21, 1996.)

**111-4-870.** Cost of ticket. The price of "Wild Bingo" instant tickets sold by a retailer shall be \$2.00 each. (Authorized by and implementing K.S.A. 1995 Supp. 74-8710; effective, T-111-6-27-96, June 21, 1996.)

111-4-871. Determination of instant prize winners. This game is played similarly to the traditional "BINGO" game. The player removes the scratch-off material on the area of the ticket indicated as the "CALLER'S CARD" and "BONUS NUMBERS" to reveal 24 and four "BINGO" letter/number combinations, respectively. The player then checks to see if any of the letter/number combinations on the "CALLER'S CARD" match the letter/ number combinations on any of the four "PLAYER'S CARDS." The player may then mark matching combinations by scratching or marking the matched spot on the "PLAYER'S CARDS." A "W in a circle" uncovered on the "CALLER'S CARD" may be used to fill any unmarked space on each of the four "PLAYER'S CARDS." If the player gets a "BINGO" by matching the letter/number combinations on one of the four "PLAYER'S CARDS" in any horizontal, vertical, or diagonal line as shown in illustration number one on the back of each "BINGO" card; by matching combinations in all four corners as shown in illustration number two on the back of each "BINGO" card; or by matching combinations in both diagonals forming an "X" as shown in illustration number three on the back of each "BINGO" card, the player wins the prize amount indicated on the appropriate winning "PLAYER'S CARD." Players can win up to four times on this ticket, but can win only one way on any of the four "PLAYER'S CARDS" on each ticket; that is there will only be one winning pattern per "PLAYER'S CARD." Prizes a player can win are as follows:

Ticket sales for each drawing will end momentarily immediately prior to the scheduled drawing and then resume for the next drawing without delay. Club Keno wagering will not be inhibited between games. Each game is identified by a 6-digit consecutive game number that is assigned by the central system and the game number(s) for the drawing(s) for which the ticket was purchased will appear on the ticket. In the event a drawing does not occur at the drawing time scheduled, sales for that drawing will remain closed. Sales for the following drawing will remain open until five minutes after the results of the delayed drawing have been posted by the system. Winning game number selections for any games remaining on a player's ticket at the end of daily sales shall take place the next day.

(c) Winning number combinations shall be generated every five minutes through the use of a computer-driven random number generator located at lottery headquarters. The generator shall be statistically analyzed, tested, and certified by an independent qualified statistician for integrity. Periodic checks shall be made to ensure the security and integrity of the system at least quarterly.

(d) The Kansas lottery director of security shall establish the procedures for the operation and security of the random number generator, including the specification of those individuals who shall have access to the system. A security officer shall accompany anyone needing access to the secured area containing the generator for any reason.

(e) All Club Keno prizes shall be the prizes set forth in subsection (a) above except for the 10 spot match 10 category prize when total prizes for that prize category for a single draw exceeds \$1,500,000. If that occurs, each valid winner's share for the 10 spot match 10 \$100,000 prize category shall be calculated as a parimutuel prize from a prize pool of \$1,500,000. (Authorized by K.S.A. 1995 Supp. 74-8710; implementing K.S.A. 1995 Supp. 74-8710; and K.S.A. 74-8720; effective, T-111-9-1-92, Aug. 28, 1992; amended, T-111-8-5-94, July 15, 1994; amended, T-111-12-18-95, Dec. 14, 1995; amended, T-111-6-27-96, June 21, 1996.)
